BUCKLEY TECHNOLOGY GROUP PARTNERS WITH HOSTING, INC.

BTG is delivering Website Compliance Support Services and Assessments for more than two hundred (200) of HOSTING's financial institution customers.

Boston, MA, August 4, 2017– Buckley Technology Group (BTG) is pleased to announce its new strategic partnership with HOSTING.com, a leading provider for hosted and managed websites and applications for 2,000+ global customers across a wide range of industries including financial services, healthcare, retail, media and entertainment, and software/technology.

BTG's trusted expertise in providing outstanding compliance support and services to banks and credit unions complements HOSTING's commitment to deliver compliant and secure solutions; and as such, BTG will be performing Website Compliance Support Services and Assessments for more than two hundred (200) of HOSTING's financial institution customers. We anticipate that this partnership will offer trusted and reliable compliance solutions to financial institutions nationwide.

About HOSTING

HOSTING delivers secure, compliant managed cloud services and open technologies that empower organizations to transform their businesses and lead their industries. HOSTING provides customers with security, support and compliance expertise across a broad portfolio of solutions including public cloud, private cloud, hybrid IT and dedicated environments. To learn more about HOSTING, please visit their website: www.hosting.com.

About BTG
