

BUCKLEY TECHNOLOGY GROUP

We prepare and protect your organization.

Our mission is to be your organization's trusted compliance partner.

Since its inception in 1999, Buckley Technology Group (BTG) has been a leading provider of financial industry solutions - offering superior consulting, implementation, and support services to both regional and national organizations. BTG is dedicated to serving organizations with the expertise, product and services required to protect information assets, secure technology systems, and effectively manage compliance.

ISSAC ONLINE Internal & External Audit

Simplify your Internal & External Audit Program with BTG...

The ISSAC ONLINE Audit/Risk module offers a comprehensive solution for the management of your organization's Internal and External Audit Program. BTG provides the best solution to perform internal assessments, and maintain audit tracking and planning for all of your audits related to products, services, and assets in one centralized location.

Explore some of the many ISSAC ONLINE Audit/Risk benefits:

- Maintain, respond to, and track results of Internal and External Audits performed including remediation efforts
- Customize and perform various Risk Assessments and Audits
- Track Customer Incident complaints and other internal issues
- Upload and retain audit reports in the secured Document Library
- Provide management and regulators with clear concise reports
- Set multiple email alert reminders for review and completion of risk assessments and management response to recommendations of audit findings and results

Professional and Consulting Services

BTG offers a unique and customizable Risk Assessment maintenance program...

Our professional and consulting services are offered on a project basis or within an annual maintenance program. Organizations can select services needed to create their own unique maintenance program ensuring continued compliance with regulatory requirements. Benefits of a maintenance program:

- All professional services are available for selection
- Organizations are able to budget more efficiently
- Discounted pricing is offered for services selected

- ✓ Audit Program Schedule Development and Review
- ✓ Audit Program Tracking Development and Review
- ✓ Various Assessments including:
 - Website Compliance Assessment
 - Social Media Risk Assessment
 - Multifactor Authentication Risk Assessment
 - Bank Secrecy Act (BSA) Risk Assessment
 - Technology, Product, or Service Risk Assessments including ACH Risk Assessment and Remote Deposit Capture Risk Assessment
 - And much more!
